2. Mr. Proctor discussed the problems caused by Senator Proxmire's release of Mr. Colby's testimony on the USSR's allocation of resources.

3. Mr. Proctor reported that Secret Service Director Knight expressed his gratitude to Mr. Colby for Agency support for the Nixon party's recent trip through the Middle East and Europe.

4. Mr. Proctor also relayed Mr. Colby's praise for the NIS map used in Wednesday's NID item on Cyprus.

5. Mr. Proctor reported on the Inspector General's upcoming interview program which will involve talking with 50-100 people who have not been overseas but who have been with the Agency for a number of years.

6. [redacted] cautioned that the Cyprus Task Force soon might require additional assistance, depending upon events.

7. [redacted] briefed on the status of communications with FBIS' Bureau on Cyprus and on backup coverage plans.

8. Mr. King reported that the graphics shop in Cartography Division was becoming overburdened. Mr. Proctor asked the office chiefs to consider the time-urgency of their various publications that require graphics support.
